

Rutgers Turfgrass Research Field Day

2020 VIDEO SPONSOR

Wednesday, October 7, 2020

The NJTA Board of Directors and the Rutgers Center for Turfgrass Science have made the difficult decision to cancel the in-person Rutgers Turfgrass Research FIELD DAY 2020 and as an alternative offer a virtual experience online.

The 2020 Rutgers Turfgrass Research VIRTUAL Field Day will now be presented as a series of videos highlighting cutting edge research showcasing the science-based trials, new advances in disease, insect, and weed control, and share best management practices for control of many important leaf and root diseases.

We invite you to partner with NJTA and become a SPONSOR. Sponsor names and logos will be featured in the introduction to each video. Videos will be posted on the NJTA and Rutgers Center for Turfgrass Science websites.

Tracy Wadhams, Field Days Chair
