

Fiddler's Elbow Country Club is a Private club located in beautiful Bedminster, NJ. Opened in 1965, the club showcases nearly 1,000 acres of spectacular countryside, world-class amenities, and an array of unique member privileges. Fiddler's is proud of our three championship golf courses, stunning Clubhouse featuring both fine & casual dining restaurants and banquet facilities, tennis & paddle courts, world-class aquatics operation, gym and so much more! Though we are the largest New Jersey country club, we still preserve an inviting sense of community and family.
