Trade Show is
December 4 & 5, 2018**

**BOOTH MATERIALS
Information for BORGATA**

Where do Exhibitors go when they arrive at the Borgata?

From Atlantic City Expressway

1. Take Exit 1 toward Convention Center/Marina/Brigantine
2. Proceed through the Atlantic City / Brigantine Connector, stay in the left lane when you exit the tunnel.
3. Take Exit H to Renaissance Pointe / Borgata
4. Take the **Employees/Deliveries** [Sign reads – “Borgata. Deliveries, Employees Only, Keep Left”] exit on the left and follow the ring road around to the loading docks. Use the Loading Dock for shows at the Event Center. Unload materials with or without the assistance of AEX drayage services. Once done, park in the customer garage.

Event Center Specifications:

A freight elevator is taken from the outside of the Event Center up to the Event Center floor. The Event Center is right next to the freight elevator. The elevator size is a large version of a standard elevator.

Freight Elevator Information:

Width: 7' (feet)
Depth: 10' (feet)
Height: 10' (feet)
Elevator capacity: 50,000 lbs

No fuel (gas or diesel) may be in the units before they are moved onto the elevator for transport to the Event Center, UNLESS dollies or turtles (full circular wheels) are used. The AEX Drayage company usually does this unless the exhibitor pushes their own equipment, or uses dollies. Only electric driven items can be driven in.

NOTE: You may bring your materials in the hotel as long as you can manage them yourself. If you need the services of a bellman, there will be a charge per box to bring them upstairs to the Event Center.
