REGISTRATION INFORMATION

www.njturfgrass.org

New Jersey GREEN EXPO: Attend to learn the latest in turf and landscape - to do business, to see new equipment, and to explore technology.

MISSION

GREEN EXPO is 'the' science-based conference and trade show that provides education, business, fellowship, and environmental stewardship opportunities in partnership with *The Center for Turfgrass Science at Rutgers University*, the *Golf Course Superintendents Association of New Jersey*, and in cooperation with the *Sports Field Managers Association of New Jersey*, the *New Jersey Landscape Contractors Association*, and other groups.

EDUCATION and TRADE SHOW

Attend the Education sessions and the trade show to learn what's new in your industry. The comprehensive Educational Program is the source of cutting edge information: programs will deliver case studies, industry trends, applications, and best practice tactics for a profitable business. The Trade Show is one of the largest Green Industry events in the tri-state area. Come to this show to see new products and services as well as to develop important relationships within the Green Industry.

CREDITS

At print time, GCSAA PDI credits, plus CT, DE, MD, NJ, NY, and PA pesticide recertification credits have been applied for. Credits listed next to sessions are anticipated BUT NOT CONFIRMED at time of print. We will provide these credits on our website as we receive confirmation - www.njturfgrass.org.

Call (973) 812-6467 if questions. We reserve the right to change the final program, including speakers and topics, if necessary.

THOM RITCHIE NJTA HALL OF FAME AWARD 2017

Thom was a long-time member of the New Jersey Turfgrass Association Board of Directors, where he made many contributions to the success of our association despite the demands of owning his own landscaping company.

A founding member and leader of the Rutgers Professional Golf Turf Maintenance School's Alumni Association, Thom is best known for his work in helping green industry groups and associations come together through his leadership of the Allied Association Committee on the NJTA board.

Thanks Thom, and CONGRATULATIONS!

OVERVIEW

We open our Annual Green Expo on Tuesday with two important sessions, one dedicated to the CORE training you need to maintain your pesticide applicator license, and the other to help those in GOLF develop a clearer picture on important aspects of the industry.

Tuesday afternoon, Wednesday and Thursday sessions are broken into three separate disciplines: Golf, Sports Fields, and Lawn & Landscape. Each has a variety of excellent speakers, and all sessions have been planned to provide attendees with information they can immediately use in their operations.
