

Let's GROW Virtually

Webinar Series Presented by the
New Jersey Turfgrass Association

The New Jersey Turfgrass Association will be presenting a **series of 12 interactive sessions** online in December, January, February, and March (3 each month). Each session is: one hour, free of charge, and open to the public. Pesticide credits have been applied for and noted by each session – this will be updated when additional credits are approved. **ATTEND AS MANY SESSIONS AS YOU DESIRE.** Sign up today to: Learn, Grow, and Share. *Limit 200 per session.*

When you sign into a session offering credits (CEUs), you will be asked to (1) email a time-stamped government-issued photo ID (*passport, drivers license, birth certificate, social security card*) to execdirector@njturfgrass.org, (2) to be present for the entire class, and (3) to take periodic quizzes during the class. To receive approved credits, you must also sign up individually with your own email and view sessions independently on a separate screen.
