

POSITION AVAILABLE:
Assistant Superintendent

DATE: 12/1/2021

COURSE: Francis A. Byrne Golf Course of Essex County, West Orange, New Jersey

COURSE INFO: Francis A. Byrne Golf Course is one of three courses owned and operated by the Essex County Parks and Recreation Golf Division. Francis A. Byrne Golf Course was built in 1927, originally known as Essex County Country Club West, with routing by legendary architect Seth Reynor and engineering by the esteemed Charles Banks. We are currently planning a renovation for our greens, tees, bunkers, drainage, and cart paths including extensive tree removal.

DUTIES: The head assistant will be involved in all aspects of Golf Course Maintenance. Duties will include: pesticide and fertilizer applications, mowing, irrigation system operation and hand watering, course set up, crew management, various cultivation practices, execution of small projects, tree work, operation of all turf maintenance equipment, employee training, equipment maintenance, drainage repair/installation, basic computer skills and general upkeep of maintenance facility.

RESPONSIBILITIES: We are seeking a hard working, team player who is willing to perform any task assigned, big or small. The Assistant Superintendent will work side by side with the Superintendent with the planning of daily, weekly, monthly and annual objectives to produce the best playing conditions possible. The Assistant will assume all responsibilities of the Superintendent in his absence. Our assistants will be required to help out with pesticide applications, aeration and tournament preparation at our other two county courses when necessary.

QUALIFICATIONS: Two or Four year degree in Turfgrass Management Program or related field. Three years experience working on a golf course. Recent graduates who have done multiple internships will also be considered for the position. Possession of a valid driver's license and the ability to obtain a NJ pesticide license in 6 months. Applicants must be able to lift a minimum of 50lbs. A love for golf course architecture, turf conditions and the game of golf in general are desired qualities.

SALARY & BENEFITS: \$45k - \$50k (depending on experience) Annually with the opportunity to make an additional \$10k in overtime. Overtime is paid at time and a half. Within 6 years of employment you could be making \$75k - \$80k with overtime. Union Membership in local IBEW 1158. Pension Plan, Paid Sick and Paid Vacation, Health-Dental-Vision Family Insurance, Golf Privileges, Uniforms and Association Dues. 1 week of vacation time in the summer allowing for a balance of work life and personal time.
