Orders received without advance payment or after the deadline date will incur additional after deadline charges as indicated on each order form. All materials and equipment are on a rental basis for the duration of the event and remain the property of the contractor except where specifically identified as a sale. All rentals include delivery, installation, and removal from Exhibitor's booth. In case of cancellation of any orders or services by Exhibitor, a one-hour "per person requested, per hour" charge will be applied for all labor orders that are not canceled in writing at least 24 hours prior to the scheduled start time. If the event is canceled because of reasons beyond the contractor's control, Exhibitor remains responsible for all charges for services and equipment provided up to and including the date of cancellation. It is Exhibitor's responsibility to advise the contractor of any problems with any orders, and to check the Exhibitor's invoice for accuracy prior to the close of the show or event. If Exhibitor is exempt from payment of sales tax, the contractor requires an exemption certificate for the state in which the services are to be provided. Should there be any unpaid balance after the close of the event, terms will be net, due and payable upon receipt of invoice. Effective thirty (30) days after invoice date, any unpaid balance will bear a finance charge at the lesser of the maximum rate allowed by applicable law, or 1.5% per month (annual rate 18%), and future orders will be on a pre-paid basis only. These payment terms and conditions shall be governed by and construed in accordance with the laws of the State of New Jersey. In the event of any dispute between the Exhibitor and the contractor relative to any loss, damages, or claim, such Exhibitor shall not be entitled to and shall not withhold payment, or any partial payment, due to the contractor for its services, as an offset against the amount of any alleged loss or damages. In any case not later than thirty (30) days after the conclusion of the event (for purposes of claim reporting, the "conclusion" of the event is the earlier of the conclusion date of the event or the time when Exhibitor's materials are delivered to the carrier for transportation from the event site or from the contractor's warehouse). All claims reported after the thirty (30) day period will be rejected. In no event shall a suit or action be brought against the contractor more than one (1) year after the date of loss or damage occurred. All Material Handling Agreements submitted to the contractor by Exhibitor will be checked at the time of pickup from the booth and corrections will be made where discrepancies exist between the quantities of items on any form submitted to the contractor and the actual count of such items in the booth at the time of pickup. Exhibitor agrees to accept and be bound by the contractor's count.

PACKAGING, CRATES, & EMPTY CONTAINERS: the contractor shall not be responsible for damage to loose or uncrated materials, pad-wrapped or shrinkwrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed materials. In addition, the contractor shall not be responsible for crates and packaging which are unsuitable for handling, in poor condition, or have prior damage. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. Empty container labels will be available at the show site service desk. Affixing labels to the contractor is the sole responsibility of the Exhibitor or its representative. All previous labels must be removed. The contractor assumes no responsibility for error in the above procedures, removal of containers with old empty labels and without the contractor labels, or improper information on the empty labels. The contractor will not be liable for loss or damage to crates and containers or their contents while same are in empty container storage.

SEVERABILITY: If any provision of this Contract proves to be illegal, invalid, or unenforceable, the remainder of this Contract will not be affected by such finding, and in lieu of each provision of this Contract that is proven to be illegal, invalid, or unenforceable, a provision will be added as part of this Contract as similar in terms to such illegal, invalid, or unenforceable and be legal, valid and enforceable.

NO ORAL MODIFICATION OR WAIVERS: The Limits and Liabilities are the complete and final agreement between Exhibitors and the contractor. Sending your graphic and image files to AEX Convention Services

You are a valued client and we want your graphics and images to look the very best they can. AEX Convention Services is absolutely committed to making this a reality. In order to do that, certain guidelines for submitting your electronic files should be followed. If you are unable to provide digital artwork files for you signage, we can provide you with layout and design services. Contact your sales representative for details.

Vector vs. Bitmap (Raster)

Vector is the preferred file type. Vector-based artwork is resolution independent and is characterized by an outline of each element using lines and arcs to define its outer shape. They can be enlarged or reduced without loss of quality.

Bitmap files are resolution dependent, and will reproduce poorly if the appropriate file resolution is not supplied. They are characterized by tiny squares, known as pixels, placed adjacent to one another to define each elements shape and color. Bitmap files are commonly used for photographic digital print production.

Acceptable Vector Formats

PDF (preferred format), EPS, CS5 AI, and CS5 INDD (Include all links/fonts/images for AI and INDD files)

Acceptable Raster Formats

EPS, JPEG, PDF, PSD, and TIFF

File Submission

E-mail (SignShop@AEXServices.com) or Online File Transfer Site Contact us for more information regarding ftp. *Please do not email large art files and do not send unnecessary files (ones that will not be used)

Bleeds / Cropmarks / Registration Marks

- Please do **NOT** include cropmarks or registration marks on graphic files.
- All signs printed on fabric require a 2" Bleed
- All other signage requires a 1/4" Bleed

Artwork In the Structures

Please note that any panels going in the metal frame will hide 1/4" of your art all the way around. If you have a continuous wall where individual panels are divided by metal, use 1.25" spacing in between each panel to account for gaps and the natural flow of the graphics.

Color & Misc. Specifications

- All files are to be built using CMYK. Vector art can be produced using PMS colors.
- If PMS color matching is required, please use original Pantone® + Solid Coated® swatches in your artwork Modifying Pantone® names will result in printing default color (CMYK).
- **Convert all type to outline.** If the type is not converted to outline and you do not send the fonts with the files then font substitution will occur.

*Once fonts are turned to outline they can not be edited so be sure to send the fonts with your files to be safe.

- Bitmap art is best saved at no less then 150 dpi for large images and 300 dpi for any images under 8" x 10". Lower resolutions will result in reduced image quality. *Please avoid images pulled from the Internet because they are too low in resolution and will result in a poor quality print.
- Documents should be created actual size (1" = 1" ratio).
 For larger artwork please indicate scale.
- Please supply the following information when sending your files: Client Name, Show Name, Show Date and City of the Event
- We cannot use Gif, Power Point or Word files (with images), or images/logos downloaded from websites

The contractor is the exclusive provider of Material Handling.

Material Handling includes <u>Unloading</u> your exhibit material, <u>Storing</u> up to 30 days at the advance warehouse, <u>Delivering</u> to your booth, the <u>Handling</u> of empty containers to and from storage, and <u>Removing</u> of material from the booth for reloading onto your outbound carrier at the close of the show. You can either ship your materials in advance to the advance warehouse or ship directly to show site during designated move-in times. Material Handling <u>is not to be confused with the cost of shipping</u>/transporting your exhibit materials to and from the event.

Shipping to the ADVANCE WAREHOUSE?

- We will accept freight beginning 30 days prior to show move-in.
- To ensure timely arrival of your materials at show site, freight should arrive by the deadline date listed on the Quick Facts. Your freight will still be received after the deadline, however additional charges will be incurred.
- The Warehouse will receive shipments Monday-Friday, except Holidays. Refer to the Quick Facts for warehouse hours.
- The Warehouse will accept crates, cartons, skids, trunks, cases and carpet/pads. Loose or pad wrapped materials must be sent directly to show site.
- All shipments must have a bill of lading or delivery slip with the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as UPS and Fed Ex will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Advance/Warehouse freight will be delivered to the booth prior to exhibitor set-up.

Shipping DIRECT TO SHOW SITE?

- Freight will be accepted during designated exhibitor move-in times. Refer to the Quick Facts for the specific delivery date/time window.
- All shipments must have a bill of lading or delivery slip indicating the number of pieces, type of merchandise and weight.
- Shipments received without receipts or freight bills, such as UPS and Fed Ex, will be delivered to the booth without guarantee of piece count or condition.
- Certified weight tickets must accompany all shipments.
- Direct to show site shipments are not guaranteed to be in your booth prior to exhibitor move-in.

How should I LABEL MY FREIGHT?

- PLEASE USE THE PROVIDED SHIPPING LABELS.
- The label should contain the Exhibiting Company Name, Booth #, Name of the event, C/O AEX Convention Services and Facility Address.
- The specific shipping address for either the advance warehouse or direct to show site address is located on the Quick Facts and on the provided Shipping Labels.

How Do I ESTIMATE MY MATERIAL HANDLING CHARGES?

- Charges will be based on the weight of your shipment. Each shipment received is billed individually and is subject to the applicable show weight minimum. The shipment weight will be rounded to the next 100 pounds. Each 100 pounds is to be considered one "cwt" (one hundred weight).
- Note: All Shipments are subject to reweigh.
- On the Material Handling Order Form, be sure to select if your freight will arrive at the ADVANCE WAREHOUSE or DIRECT TO SHOW SITE.
- On the Material Handling Order Form, select the rate for the category that best describes your shipment. See types of freight shipment.

What are the FREIGHT CATEGORIES?

CRATED: Material that is skidded or is in any type of shipping container that can be unloaded at the dock with <u>no additional</u> <u>handling required</u>.

UNCRATED: Material that is shipped loose or pad wrapped, and/or unskidded machinery without proper lifting points. **SPECIAL HANDLING**: Material delivered by the carrier in such a manner that it requires additional handling, such as designated piece unloading, loads mixed with pad wrapped materials, ground unloading, stacked and constricted space unloading, loads failing to maintain shipping integrity, and shipments that require additional equipment, time or labor to unload. UPS and FedEx are included in this category.

SPECIAL HANDLING Definitions

- <u>Designated Piece Unloading</u> Shipments requiring multiple pieces of freight to be moved in order to select the next piece.
- <u>Ground Loading</u> vehicles that are not dock height preventing the use of loading docks. (flat bed trailers, U-Hauls, company vehicles with trailers)
- <u>Stacked Shipments</u> Shipments loaded in such a manner that requires multiple items to be removed to ground level for delivery to booth.
- <u>Constricted Space</u> Shipments that are not easily accessible due to carrier being loaded high and tight.
- <u>Shipment Integrity</u> Shipments that are delivered in such a manner that additional labor is needed to sort through and separate various shipments.

What happens to my EMPTY CONTAINERS?

- Pick up "Empty Labels" at the Contractor's Service Desk. Once the container is completely empty, place a label on each container individually.
- Labeled empty containers will be picked up periodically and stored in non-accessible storage during the event.
- At the close of the show, the empty containers will be returned to the booth in random order. This process may take several hours.

Do I need INSURANCE?

- Be sure your materials are insured from the time they leave your company until they are returned after the show. It is suggested that exhibitors arrange all-risk coverage. This can be done by riders to your existing policies.
- All materials handled by the contractor are subject to the Terms and Conditions.

How do I ensure that my SHIPPED MATERIALS ARE SECURELY delivered by or before they are picked up after the show?

• There may be a lapse of time between the delivery of your shipment(s) to your booth and your arrival. Which may also be the case for the close of the show phase. During these times, your materials will be left unattended. We recommend that you arrange for a representative to stay with your materials or hire security services to monitor your booth/materials.

\$\$ MONEY SAVING TIPS \$\$

- Ship via common carrier to avoid possible special handling charges.
- CONSOLIDATE your shipments. Each separate shipment will incur a 200 lb minimum charge.
- Ship early to avoid rush/overnight charges whenever possible.
- Furnish accurate weight tickets with your shipment(s).
- Label your freight with the number of total pieces example 1 of 3, 2 of 3, 3 of 3.
- Properly Address/Label all shipments to avoid time consuming re-routes, mis-deliveries and delays. Remove old shipping labels before shipping out again.
- When shipping to Show Site, <u>confirm in advance that your carrier can guarantee delivery of your freight to the facility during</u> <u>designated move-in times</u>. When possible, schedule your shipments to arrive during ST rather than OT.

UNION JURISDICTIONS & RULES

ATLANTIC CITY

Trade shows and events held in **ATLANTIC CITY** are subject to union jurisdictions that affect exhibitors. You will find the jurisdictions are comparable, and in many cases more user friendly, than other union facilities. This outline is designed to assist you by answering the most frequently asked questions.

FREIGHT & MATERIAL HANDLING

You may ship goods, via the carrier of your choice, to either the Contractor's Advance Warehouse or direct to show site for arrival during the published receiving periods. Material Handling (drayage) is within the Decorator's union jurisdiction (unload, deliver, remove, and reload freight). Material Handling may be ordered using the "Material Handling Order Form" provided in the kit and is entirely distinct from shipping. Exhibitors may, at their option, handle their own freight using their own carts or dollies. Pallet jacks and motorized equipment is not permitted.

FURNITURE & CARPET

Furniture and carpet may be rented using the "Furniture Rental Order Form" and the "Carpet Rental Order Form" which are provided in the kit. The price includes union labor for delivery, installation, and removal.

BOOTH ERECTION & DISMANTLING

The Decorators union has jurisdiction over the erection and dismantling of displays and exhibits and may be hired to install exhibitor owned carpet, padding, flooring, hang signs, etc. Labor can be ordered using the "Labor Order Form" in the kit. Exhibitors may, at their option, erect and dismantle their own booths. Rigging crews may to be hired to move large machinery within booths and can be ordered using the "Forklift & Rigging Crew Order Form" provided in the kit. Exhibitors may supply their own flooring (carpet, carpet padding, tile, wood, etc.). However, all flooring must be installed and removed by the contractor's labor, using the "Labor Order Form" enclosed in the kit.

ELECTRIC

The ATLANTIC CITY electrical staff handles electrical needs, connections and installation of powered signs and headers. Their services may be ordered directly from the facility using the form provided in the kit.

TIPPING

The contractor requests that exhibitors do not tip our employees. They are paid an excellent wage scale denoting a professional status, and tipping is not necessary. This applies to all the contractor's employees and its subcontractors.

SAFETY

Standing on chairs, tables or other rental furniture is prohibited. The furniture is not engineered to support your standing weight. The contractor is not responsible for injuries caused by improper use of it's furniture.

Please assist in our efforts to provide a safe working environment for everyone. If you would like additional information or how the jurisdictions may apply to you and your exhibit, please call the contractor at (609) 272-1600 for assistance.
