

Lawn Care Crew Supervisor

Teed & Brown Inc.

Lawn Care for Your Life!

Teed & Brown Inc. is looking for a highly motivated leader to serve a pivotal role in helping to forge the establishment and growth of our Bethel and Norwalk, Ct. locations. This individual will ideally come with any amount of turf experience, whether golf course or landscape. Whether you have had one year in the field or decades managing a team, your experience is important to us. The knowledge that you have gained from your experience will make you an asset to our team.

This position is a direct result of Teed and Brown's amazing growth over the past several years in Connecticut and New York. We are looking to continue to grow into New Jersey, Massachusetts and beyond. Take advantage of an amazing opportunity to join a friendly, healthy culture and educated staff that values you and your professional growth. At Teed & Brown, we can offer you a path that is specifically designed to put you into a leadership position. Whether your passion is turf management, employee management, customer relations, sales, new territory development, or something else, we have a place for you to shine and make your mark.

This position is responsible for maintaining client relationships through daily lawn care, offering technical and sales support to the Lawn Care Managers & Sales Team, and facilitating healthy growth in Teed & Brown's continued growth. This individual is highly skilled and motivated to ensure all clients are serviced and communicated with in a timely manner. This position requires flexibility and adaptability to the present and future needs of the business. This is a working leadership role, including performing lawn application services, following the Teed & Brown way & managing your daily route expectations. As we grow, the role will evolve into more opportunities for senior management positions.

Duties and responsibilities:

Provides quality & timely lawn service to all clients, ensuring customer satisfaction & meeting high expectations.

Provides sales support through various marketing avenues

Advises on sales leads and production services in a timely manner to Lawn Care Managers & Sales Managers
